

Lesson Plan for KNP Activity

S 2207.4: Race to Write (Twenty Frames)

Teacher Planning Notes:	
Task Group Number: 2207	Task Group Name: Race to Write
Strand: Structuring	Activity Level and Color: 4 Purple
KNP Activity Link with access to Printables and Student Instructions: /knp/activity.php?id=2207.4&prefix=S	
Numeracy Target: Intermediate structures to 20 Numeracy Targets Chart	
Fluency Benchmark: KY.2.OA.2 Fluently add and subtract within 20.	
Kentucky Academic Standard(s): KY.1.OA.4 , KY.1.OA.6 , KY.2.OA.2	
Student-Friendly Learning Target: I am learning to determine what goes with a number to make 20 without counting.	
Suggested Student Grouping(s): small group	
Materials: set of 20 frames 0 to 20, writing space	
Activity Description: Stack 20-frames face down. Students take turns turning over the top 20-frame. Others quickly write the number that goes with the quantity on the 20-frame to make 20. Ex.: if first student flips over 4, then the remaining students race to write 16. The one who turned over the 20 frame (or the teacher) is in charge of judging the winner of the round. Continue until someone wins at least 5 rounds. If all the 20-frames have been used, reshuffle and start again or stop play after one time through the stack.	
Teacher Notes: Either pair wise or 10+ arrangements may be used. If desired, have students compete to write the amount shown on the 20 frame.	
Evidence of Learning (Diagnostic Assessment of Progress): Flash a 20 frame with 13 dots. Ask "How many dots? How many more to make 20?" Repeat for 4.
