Numeral cards can be created by hand or online using the Sen Teacher website at <http://www.senteacher.org/> If using the website, click on "print maths" link, then click on "Number cards" and enter your preferred range and skip intervals. -A student who does not need to drop back to start counting forward from any number in the range 1 to 10 may be ready for work with number words in the range one to thirty.

Evidence of Learning (Diagnostic Assessment of Progress):

Ask student to count forward from 4. Tell him to stop when he reaches ten. Listen to student's counting words and notice if the student needs to drop back when counting.
