Lesson Plan for KNP Activity
Nb 1102.2: Count Around (within 10 to 1)

Teacher Planning Notes:	
Task Group Number: 1102	**Task Group Name:** Count Around
Strand: Backward Counting	**Activity Level and Color:** 2 Yellow
KNP Activity Link with access to Printables and Student Instructions: /knp/activity.php?id=1102.2&prefix=Nb	
Numeracy Target: Emerging backward counting from any number within 10 Numeracy Targets Chart	
Fluency Benchmark: KY.1.OA.6 Fluently add and subtract within 10.	
Kentucky Academic Standard(s): KY.K.CC.1, KY.K.CC.2	
Student-Friendly Learning Target: I am learning to say number words backward from 10-1 and name the number word before with the ability of dropping back to do so.	
Suggested Student Grouping(s): small group / whole class	
Materials: verbal	
Activity Description: Count Around Activity: Students stand in a circle. The first student starts the count at a number in the range of 6-10, as selelcted by the teacher, and the students count around the circle with each student saying the next number in the sequence down to 1. The student who says "1" sits down and the next child begins the count again starting at the same chosen number. Repeat until only one child is left standing.	
Teacher Notes: Prior to this activity the teacher may need to have students practice saying the Backward Number Word Sequence in a repetitive manner in short sequences (3-1, 6-4, 10-6, etc.).	
Evidence of Learning (Diagnostic Assessment of Progress): Ask students to name the number that comes right before a number in the range of 10-1. Watch to see if they need to count up from 1 to name the numeral.
