Numeracy Target: Rote counting backward 5 to 1

[Numeracy Targets Chart](#)

Fluency Benchmark: KY.K.OA.5 Fluently add and subtract within 5.

Kentucky Academic Standard(s): [KY.K.CC.3](#)

Student-Friendly Learning Target: I am learning to read the numerals and count back from 5-1.

Suggested Student Grouping(s): Partners

Materials:

five-frame game board for each player with rectangles large enough for numeral cards to fit inside; three or four sets of numeral cards 1 - 5

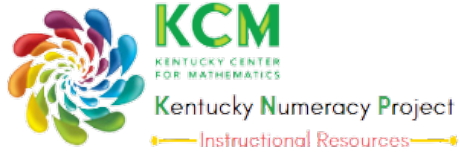

Activity Description:

The object of the game is to fill a five frame with the numbers 1-5, placed in the correct sequence. Players take turns drawing cards. The player who draws the card says the number aloud, counts back from that number to one, then places the card in the correct slot on the five frame. The first player to fill all five spaces is the winner.

Teacher Notes:

Evidence of Learning (Diagnostic Assessment of Progress):

Flash a numeral card in the range of 1-5. Ask the student to name the number and count back from the numeral to one.
