

Lesson Plan for KNP Activity A 3302.4: Removing Counters

Teacher Planning Notes:	
Task Group Number: 3302	Task Group Name: Removing Counters
Strand: Addition and Subtraction	Activity Level and Color: 4 Purple
KNP Activity Link with access to Printables and Student Instructions: /knp/activity.php?id=3302.4&prefix=A	
Numeracy Target: Relate addition and subtraction Numeracy Targets Chart	
Fluency Benchmark: KY.2.OA.2 Fluently add and subtract within 20.	
Kentucky Academic Standard(s): KY.1.OA.6	
Student-Friendly Learning Target: I am learning to subtract by using the most efficient strategy (counting down from or counting down to) and I am learning to write the matching subtraction equations.	
Suggested Student Grouping(s): individual or small group	
Materials: one set of same color counters with two screens to cover	
Activity Description: Given up to 20 items and removing 4-15 items, ask student to tell how many are remaining while screening both amounts. Write the matching subtraction equation.	
Teacher Notes: Ask student to explain strategy. Note whether student counts back 3 to 14 or counts back 14 all the way to 3.	
Evidence of Learning (Diagnostic Assessment of Progress): Give the student 17 counters covered, remove 14 covered, ask how many are left? Write the matching subtraction equation.
