# Numeral Roll

Cut on double line (on right). Use masking tape to cover back of paper so that all squares are covered and tape runs over the cut edge 2-3 inches. Cut on dark lines and trim tape overhang leaving approximately 2 inches. Cut rows to create strips. Connect strips to create numeral roll. Wrap scotch tape around connection points. To create a 2 color roll, print 2 copies, each on a different colored paper. Assemble two 2-color numeral rolls by using alternating strips from each color.
