# Printables for "Numeral Track" 

## KNIPG ID \# Nf 1113.5 - BLUE

This file contains printables for a small group of students.

- Numeral Cards: numbered 30-100
- Numeral Roll

Follow printing and assembly instructions on the top of the numeral roll.

Teacher Notes: When the child reaches one of the numerals printed on the numeral roll or gets to a change of color, he or she can self-check on accuracy.
Note how the student finds the starting number; does she count from one to find the position or does she use a reference number?

## Numeral Roll

Cut on double line (on right). Use masking tape to cover back of paper so that all squares are covered and tape runs over the cut edge $2-3$ inches. Cut on dark lines and trim tape overhang leaving approximately 2 inches. Cut rows to create strips. Connect strips to create numeral roll. Wrap scotch tape around connection points. To create a 2 color roll, print 2 copies, each on a different colored paper. Assemble two 2 -color numeral rolls by using alternating strips from each color.
