

Printables for “Hundreds Alien”

KNPIG ID # Ni 1130.3 - BLUE

This file contains printables for a pair of students.

For each additional students print one full hundreds chart, 4 star markers, and one alien marker.

- 4 Full Hundreds Chart
- Each with 4 Star Markers and 1 Alien Marker

Teacher Note: This activity challenges students to identify numbers in the range of 1-100 on a hundred chart.

Students are ready for this activity when they can identify and locate numbers in the range of twenty.

Materials Notes:

A hundred chart and color chips of different colors may be substituted for the alien, stars and printable hundred chart if printing is not available.
