

Printables for “Fill the Pocket (sums to 6)”

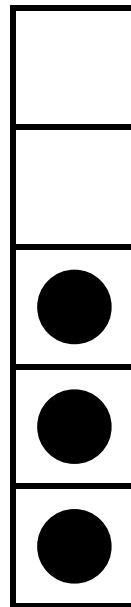

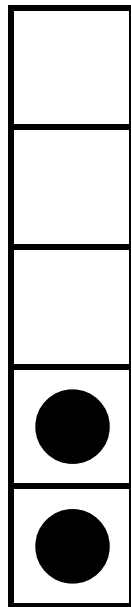

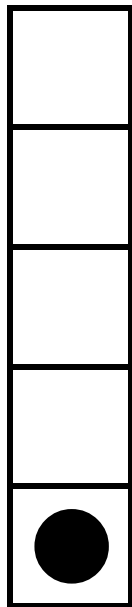

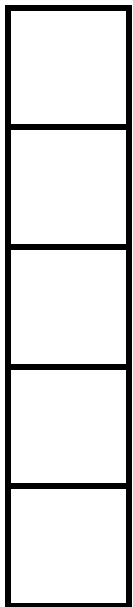

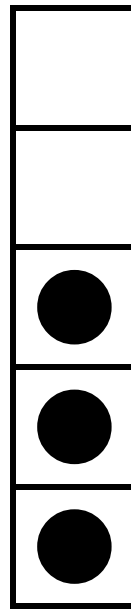

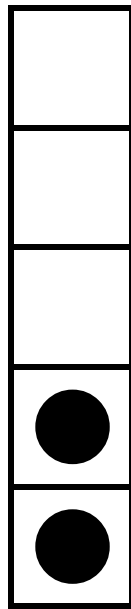

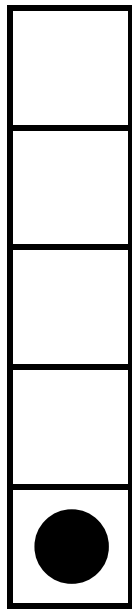

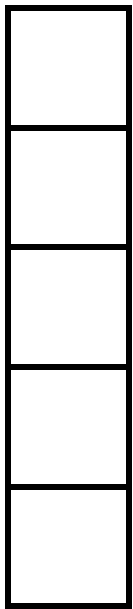

KNPIG ID # S 2203.1 – RED

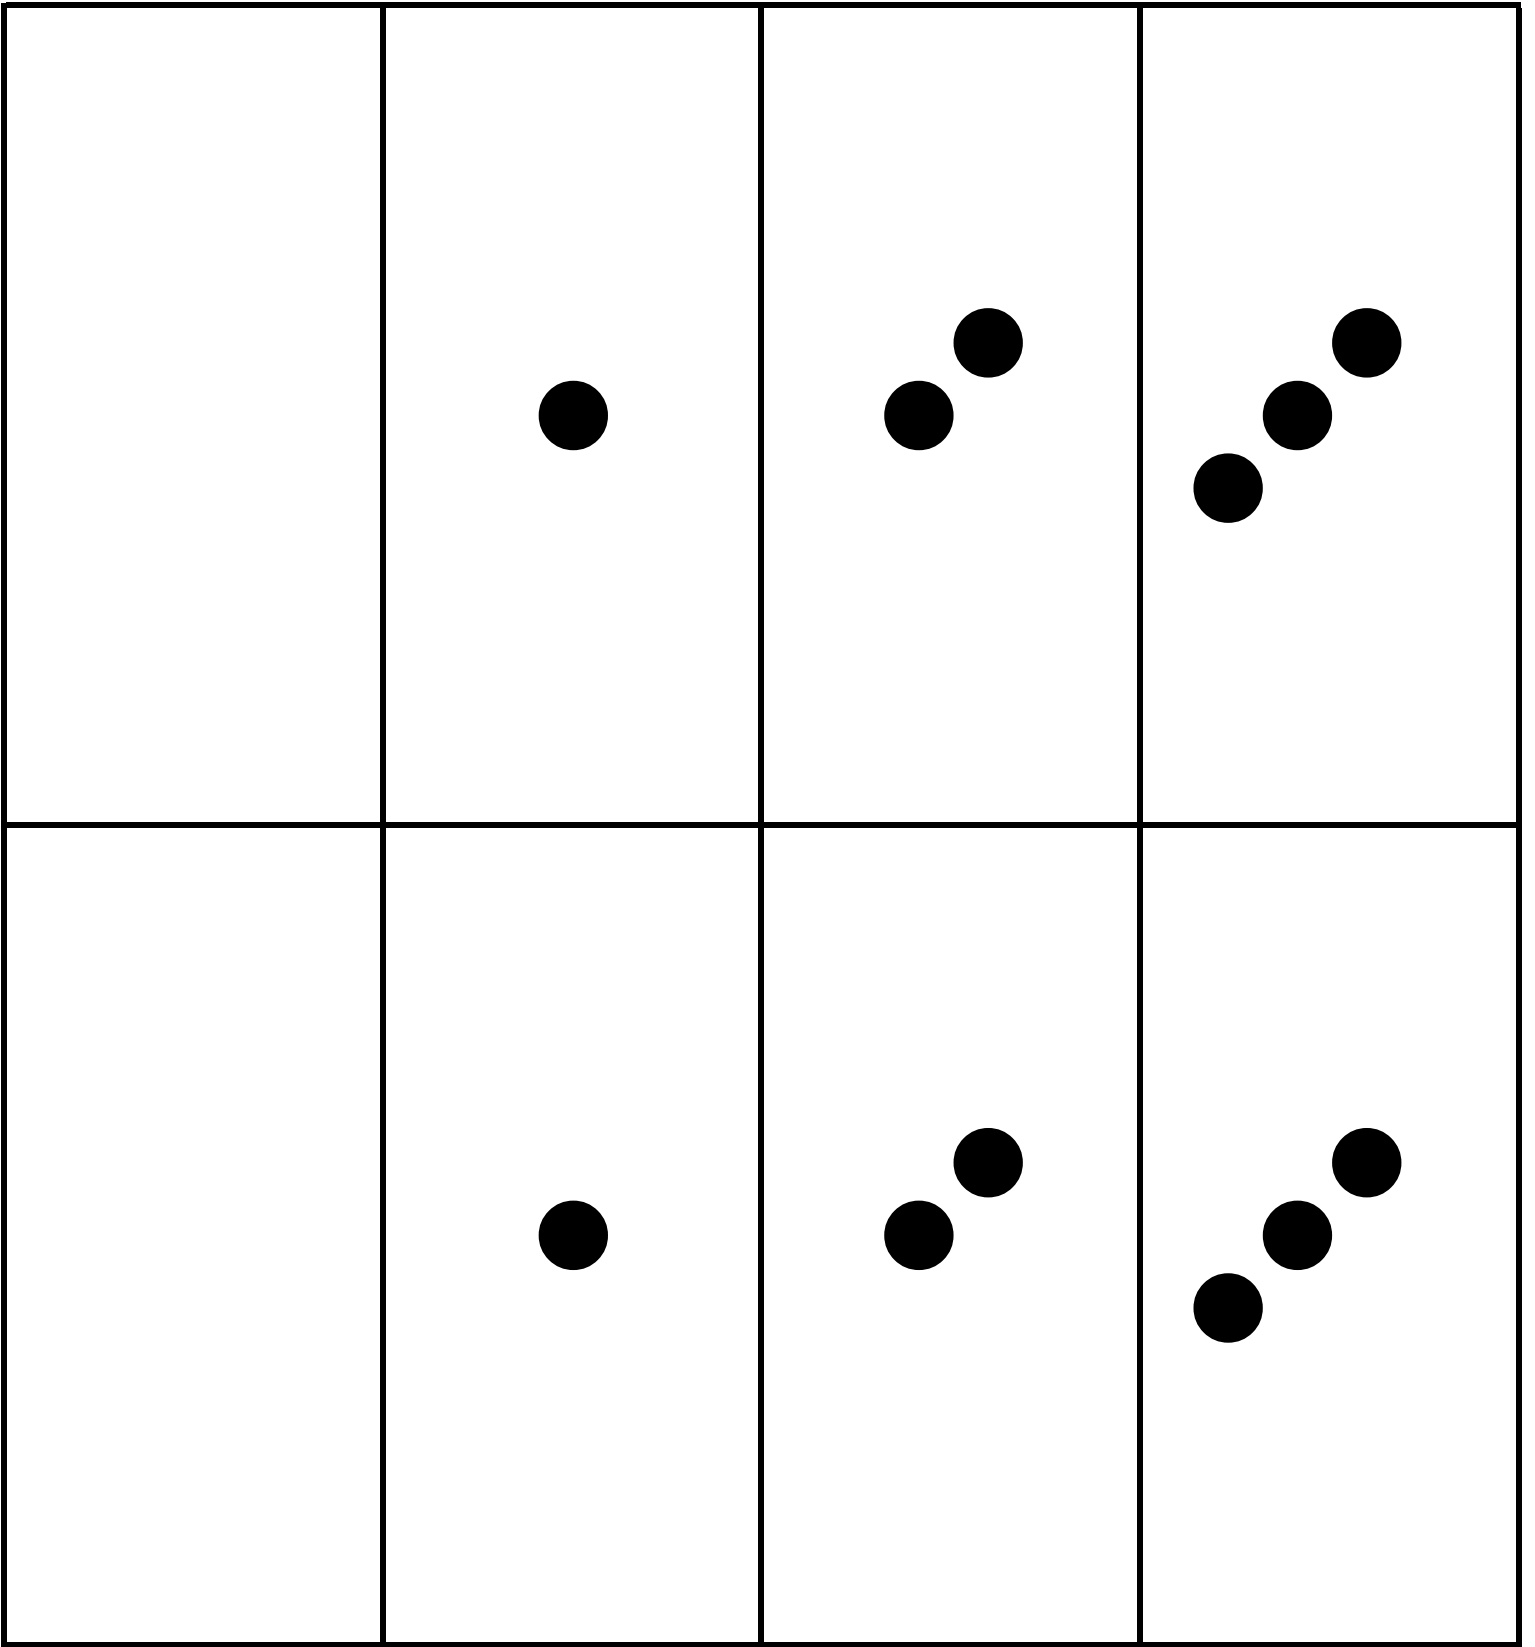

This file contains printables for a small group of students.

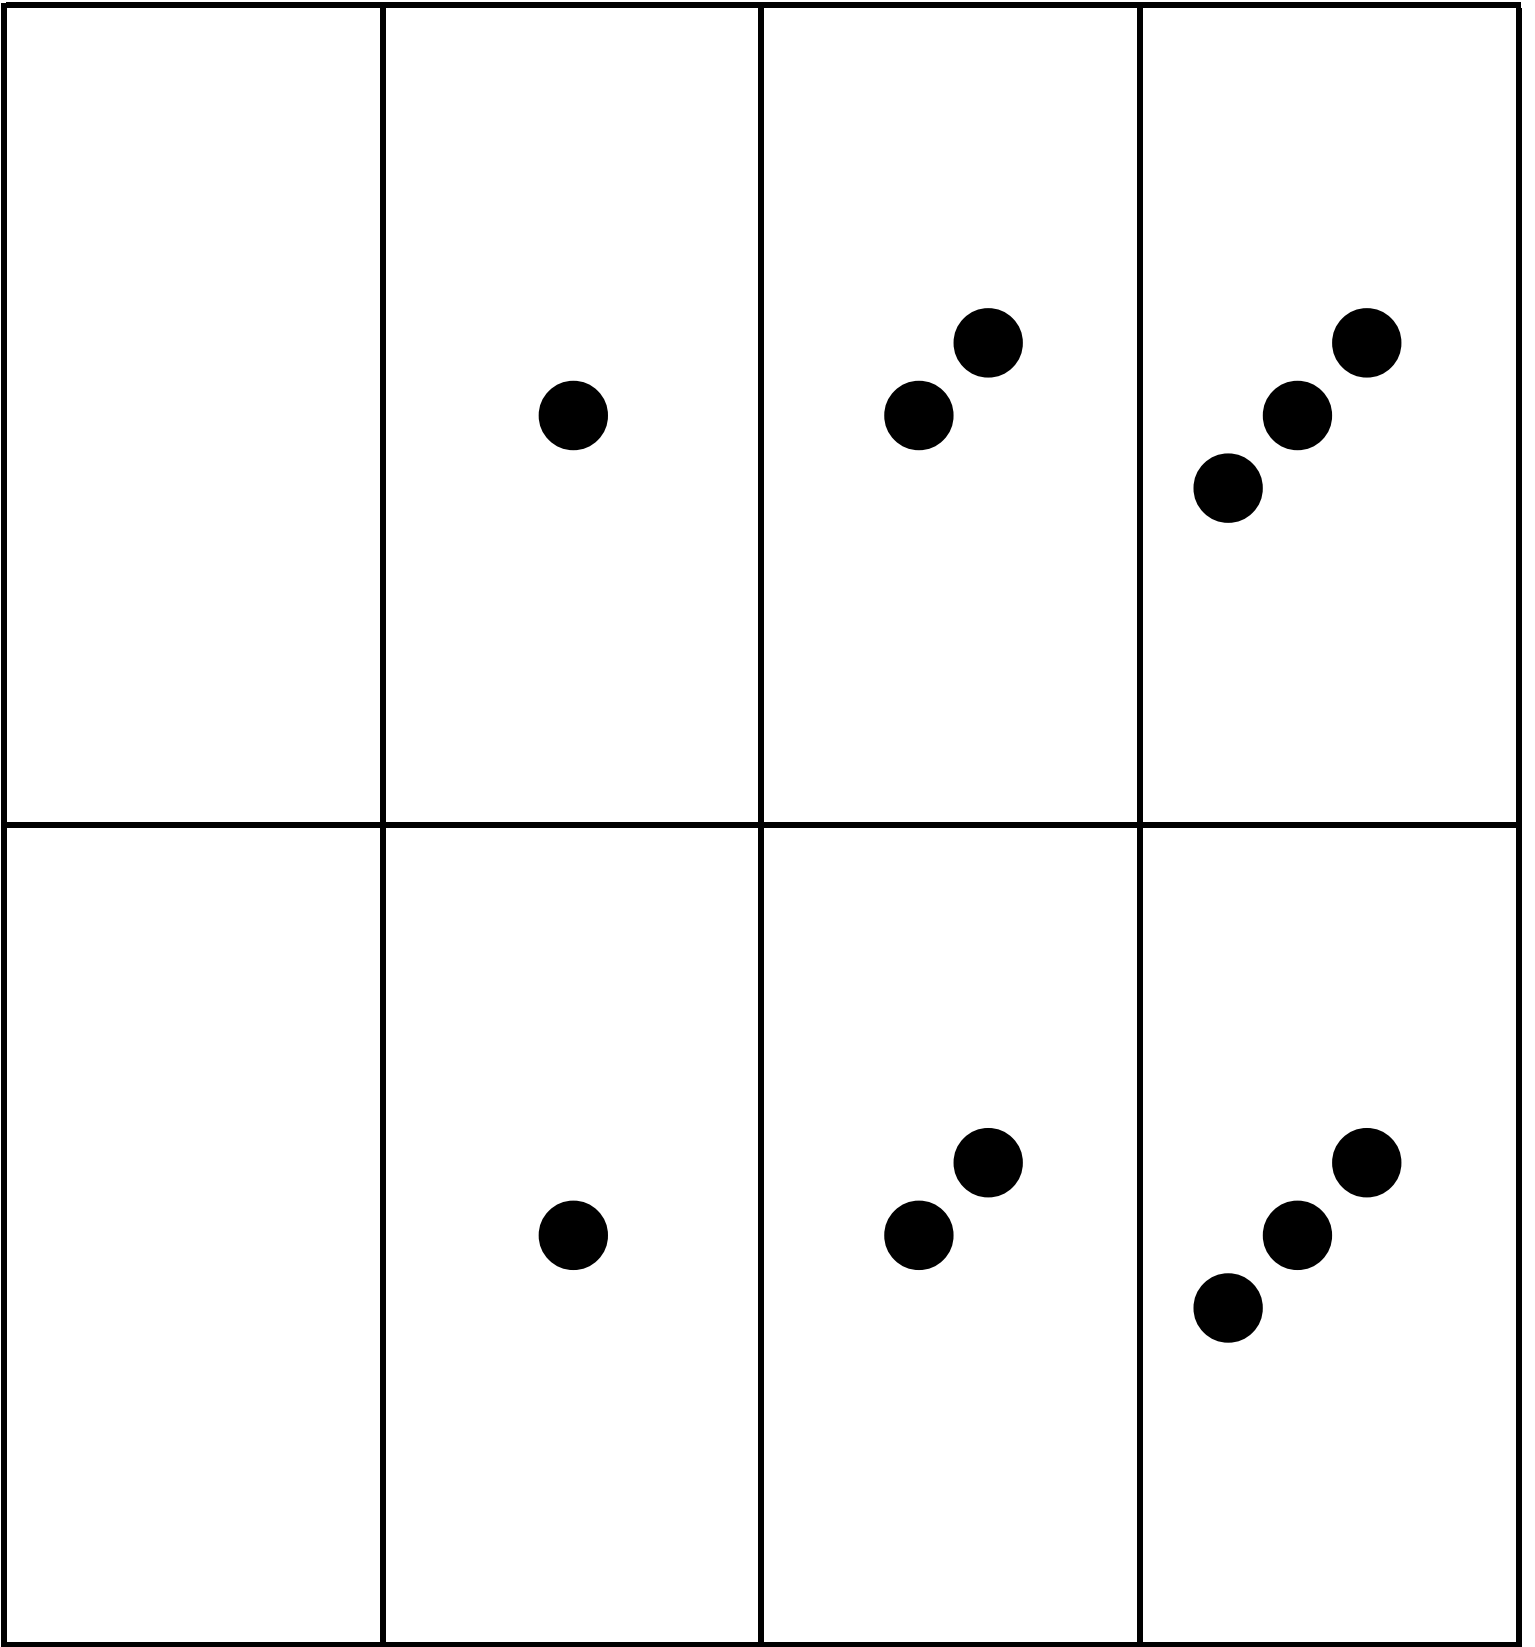

- 5 Frame Cards – 16 in total (2 sets): numbered 0-3.
- Dot Cards - 16 in total (2 sets): numbered 0-3.
- Numeral Cards - 16 in total (2 sets): numbered 0-3.
- Example Page - How to set up game board with pockets.

Teacher Notes: Two pockets can be made by sealing a letter sized envelope and cutting in half. Tape pockets to large poster board to create the game board. Numeral cards may be used mixed with or in place of dot or frame cards when students are ready. Observe how students determine the total and, in particular, note if they are counting.
