

Printables for “Top-it (total to 5)”

KNPIG ID # S 2214.1 – RED

This file contains printables for a small group of students.

- Dot Cards- 6 in total: numbered 0-5.
- Numeral Cards- 12 in total (2 sets): numbered 0-5.
-6 aligned vertically, 6 aligned horizontally.
- Number Word Cards- 12 in total (2 sets): numbered 0-5.
-6 aligned vertically, 6 aligned horizontally
- Irregular Dot Cards- 6 in total: numbered 0-5.
- 5 Frame Cards – 6 in total: numbered 0-5.
- Finger pattern Cards – 6 in total: numbered 0-5.
- Tally Cards – 6 in total: numbered 0-5.
- 10 Frame Cards- 6 in total: numbered 0-5.

*There should be 10 pages with 60 cards in total.

Teacher Note: It is recommended to only use Dominoes or Domino Cards with sums to 5 when introducing the game. The more representations included in the deck, the more challenging the game. When the students are comfortable with the game, let them play in pairs or small groups.

Students should become able to name the quantities without counting by ones. Other representations can be used in addition to or in place of the dot cards, including numerals (to target K.CC.3) five frames, finger pattern images, tallies, 10 frames (0 to 5), and words (see print link).
