

Printables for “Salute”

KNPIG ID # S 2231.1 – RED

This file contains printables for three students.

For each additional group of students print 1 new set of Five Frame Cards.

- Five Frames – Zero (0): 1 Set, 4 Cards.
- Five Frames – One (1): 1 Set, 4 Cards.
- Five Frames – Two (2): 1 Set, 4 Cards.
- Five Frames – Three (3): 1 Set, 4 Cards.

Teacher Notes: Numeral cards or dot cards (i.e. arranged in dot pattern without frame) may be used in place of 5 frame cards. A speed variation can be played whereby the first player to correctly state the amount of his/her own card wins the point. The judge has final say of who is first. Refer to task group S 294 for card games that are similar but are designed for 2 players.
