

Printables for “Combinations”

KNPIG ID # S 2266.3 – GREEN

This file contains printables for two students.

For each additional pair of students print 1 new set of Combination Cards with numbers.

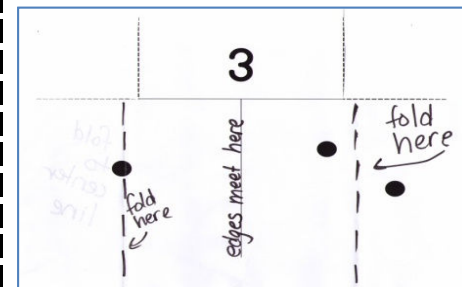

- Combination of 10 Cards with Numbers – numbered 3-10
-24 cards in total, multiple cards for certain numbers

Cutting and folding is required by the teacher before the students can proceed with the activity.

Teacher Note: Similarly, combination cards for doubles, near doubles (i.e. 4+3), non-standard combinations (i.e. 4+2) and combination of 10 (i.e. 6+4) can also be used.
