

## Printables for “Fill 20 Game (add & sub)”

KNPIG ID # A 3304.3 – GREEN

This file contains printables for two students.

For each additional pair of students print 2 game boards.

- 2 Fill 20 Game Board.

Teacher Note: To increase the challenge, use the "Fill 30" game board and start so that each player has 30 counters and use a cube with larger quantities (i.e. +3, +4, -3, -4, -5, -6). To make the game simpler, use a cube with smaller numbers. To make the game quicker, use a cube with only subtraction.
