

Printables for “Bingo addition (2-12, screened)”

KNPIG ID # A 3321.2 – BLUE

This file contains printables for a small group of students.

For each additional student print off 1 blank bingo game board and fill it in with numbers ranging from 2-12.

- 6 Bingo Game Board 2-12.
- 1 Blank Bingo Game Board.
- Teachers need to supply bingo covers and 2 large dice.

Teacher Notes: To provide more support, use one dot cube and one numeral cube. Alternatively, use dot cubes but cover the cubes within 2 seconds of the roll. After student has given answer, uncover the cubes to allow student to check answer.
