

Printables for “Bull’s Eye”

KNPIG ID # A 3355.5 – Pink

This file contains printables for two pairs of students.

For each additional pair of student print off 1 partner target worksheet and 1 set of numeral cards.

- 4 Partner Target Worksheets
- Numeral Cards (1-10)- 8 Sets

Teacher Notes: This activity challenges students to use a variety of mental strategies to evaluate and execute manipulation of numbers in order to reach the target number twenty. Students must think about a strategy and many possible solutions before they choose their equation. They will also be challenged to reevaluate previous solutions to help them become more efficient in selecting values to combine in order to be close to the target number.
