

Printables for “Chunk It”

KNPIG ID # T 5518.1 - RED

This file contains printables for a small group of students.

For each additional student print 1 set of building cards.

- Chunk It base-ten building cards
 - Set A- rectangular shapes
 - Set B- combined rectangular shapes

Teacher Note: This activity challenges students to reconstruct units of ten by counting single units. Students will treat a ten as something constructed out of ten single units.

Students are ready for this activity when they can successfully fill a shape with tens and ones tell how many total.

Materials Notes:

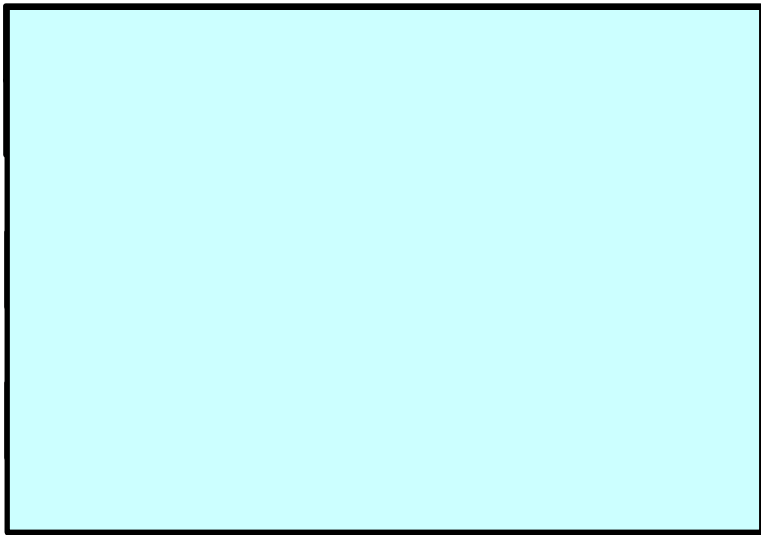

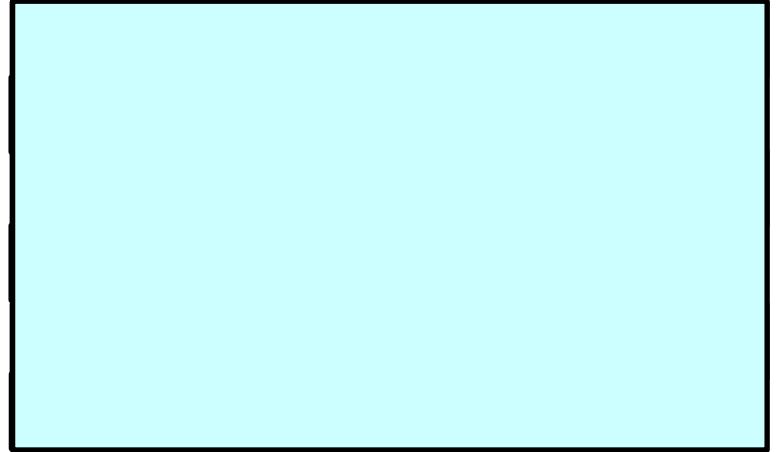

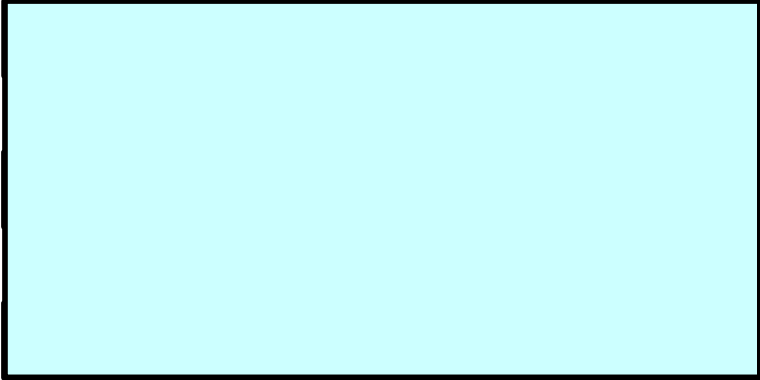

Recommend lamination or printing building cards on cardstock for durability.
