Exploring Measurement

Measuring and Comparing Using Different Units

Name: _____Date: _____

I chose piece of yarn ___ to measure.

My 1ˢᵗ measurement strip	My prediction	My measurement

My 2nd measurement strip	My prediction	My measurement

My 3rd measurement strip	My prediction	My measurement

My measurement items	My prediction	My measurement

What are 3 things that you noticed while measuring your yarn?

Why do you think the measurements are different even though you measured the same piece of yarn each time?
