

Count Around (within 1 to 10)

I am learning to say the number words forward from 1-10 and name the number word after by dropping back and counting to do so.

Materials:

verbal

Directions:

1. Count Around activity.
2. Students stand in a circle.
3. The first student starts the count at 1-4 and the students count around the circle with each student saying the next number in the sequence 2-10.
4. The student who says "10" sits down and the next child begins the count again at 1-4.
5. Repeat until only one child is left standing.
