

Count Around (within 10 to 30)

I am learning to say the number words forward from 1-30 and name the number word after without dropping back to do so.

Materials:

verbal

Directions:

1. Count Around activity.
2. Students stand in a circle.
3. The first student starts the count at range 11-30 and the students count around the circle with each student saying the next number in the sequence 12-30.
4. The student who says "30" sits down and the next child begins the count again at the same number as before.
5. Repeat until only one child is left standing.
