

Reading and Sequencing

I am learning to read the number words and say number sequences forward in the range 1 to 10, starting with any number.

Materials:

numeral cards 1-10

Directions:

1. Get numeral cards and separate them into 2 stacks- 0-5 and 6-10.
2. Place the numeral cards on the table in 2 stacks.
3. Player 1 turns over the top card on each stack.
4. Player 1 counts forward from one to the other.
5. Player 2 turns over the top card on each stack.
6. Player 2 counts forward from one to the other.
7. Players continue taking turns.
