

## Clothesline Numbers

**I am learning to read and put into order numerals 10-1.**

### **Materials:**

numeral cards 1-10, clothesline and clothes pins

### **Directions:**

1. Mix the number cards up and put them face down where you can't see the numbers.
2. Pick up one card and hang it on the clothesline in the place you think it should go.
3. Count backwards from 10 to the number you hung on the clothesline.
4. Choose another card and do the same thing.
5. Keep choosing cards until all the cards are hanging on the clothesline.
6. Check to make sure all the numbers are hanging in the correct place by counting.
