

Clothesline Numbers

I am learning to read and put into order numbers in the range of 100-1.

Materials:

numeral cards 1-100

Directions:

1. Mix the number cards up and put them face down where you can't see the numbers.
2. Pick up one card and hang it on the clothesline in the place you think it should go.
3. Choose another card and do the same thing.
4. Keep choosing cards until all the cards are hanging on the clothesline.
5. Check to make sure all the numbers are hanging in the correct place by counting.
6. Ask your teacher for another set of cards and do it again!
