

Clothesline Numbers

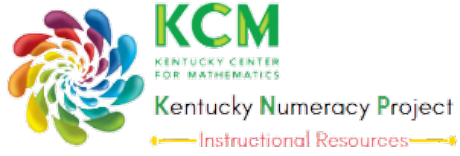

I am learning to read and put into order numbers in the range of 1-100.

Materials:

numeral cards 1-100

Directions:

1. Get numeral cards, clothesline and clothes pins.
2. Player 1 will select 2 numbers between 1 and 100 and will place on the clothesline as anchors.
3. Scatter the numeral cards that are in between the two numbers, around on the table.
4. Player 1 takes a card and pins it on the clothesline where it should go in the sequence.
5. After Player 1 places a card, he/she should count forward from the starting number on the left to the card he/she placed on the number line.
6. Continue until all the cards have been pinned on the line in the correct sequence.
7. Players read the numbers aloud to check.
8. Player 2 mixes up cards and takes his/her turn.
9. Players continue taking turns.
