

## Tic Tac Toe

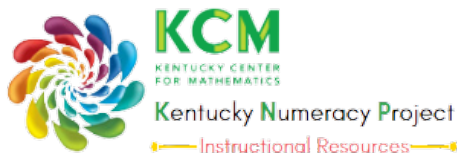

**I am learning to recognize and read the numerals 1-10 and count back from 10 to 1.**

### Materials:

TicTacToe Board labeled 1-9, Numeral cards 1-9

### Directions:

1. Mix the number cards up and put them face down where you can't see the numbers.
2. Player 1 draws a card from the stack and places a game marker on the number that comes just before the number drawn.
3. Players take turns.
4. The first player to get three in a row is the winner.
