

Tic Tac Toe

I am learning to recognize and read the numerals 1 - 10 and count forward from 1 to 10.

Materials:

TicTacToe Board labeled 2 to 10, numeral cards 2 to 10

Directions:

1. Give each player a tic-tac-toe board and place the cards in a stack face-down on the table.
2. Draw a card from the stack, say the number to your partner, and count **forward** from 1 until you get to the number on your card.
3. Cover the number on your game board.
4. Take turns with your partner.
5. Try to be the first player to cover 3 numbers in a row.
