

## Tic Tac Toe

**I am learning to say the number word that comes just after a number in the range of 1-10.**

### Materials:

TicTacToe Board labeled 2-10; numeral cards 1-9

### Directions:

1. Give each player a tic-tac-toe board and place the cards in a stack face-down on the table.
2. Draw a card from the stack and cover the number **that comes right after** it on your game board.
3. Take turns with your partner.
4. Try to be the first player to cover 3 numbers in a row.
