

Tic Tac Toe

I am learning to say the number word just before a given number in the range of 1-30.

Materials:

- Bingo Game Board labeled with random numbers 1-29
- numeral cards 2-30
- game markers

Directions:

1. Mix the number cards up and put them face down where you can't see the numbers.
2. Player 1 draws a card from the stack and places a game marker on the number that comes just before the number drawn.
3. Players take turns.
4. The first player to get three in a row is the winner.
