

Tic Tac Toe

I am learning to say the number word before a given number in the range of 1-100.

Materials:

- TicTacToe board labeled with 9s,19-99
- decade numeral cards 20-100
- game markers

Directions:

1. Mix the number cards up and put them face down where you can't see the numbers.
2. Player 1 draws a card from the stack and places a game marker on the number that comes just before the number drawn.
3. Players take turns.
4. The first player to get three in a row is the winner.
