

Hidden Numbers (1-10)

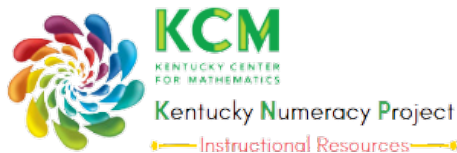

I am learning to read numerals 1-10 and say the number words forward from any number in the range of 1-10.

Materials:

numeral track 1-10 (see link for directions)

Directions:

1. Get numeral track 1-10.
2. Player 1 shows 1 numeral on the track and says the number.
3. Player 2 says the numbers words forward from that number to 10.
4. Players take turns and continue.
