

# Number After Race (1 to 5)

## I can say the number after any given number in the range 1 to 5

KNP # Nf 1112.1 – Number After Race, YELLOW

Fluency Standard: K.OA.5

Standards: K.CC.2

Materials: Number Cube with sides labeled {1, 2, 3, 3, 4, 4}, Number After Race (1 to 5) Game Board, Game tokens, numeral cards 1 to 5 (a numeral track with a 1 to 5 insert may be used in place of numeral cards)

### Directions:

1. All players begin with a token on the Start space.
2. Place numeral cards in order (1 to 5) in a line and then turn cards 2 to 5 face down
3. All players roll the cube. The player who rolls the highest amount goes first.
4. Players take turns. On your turn
  - a. roll the number cube
  - b. find and turn over the card with that number
  - c. say the number after
  - d. turn over the card after to check your answer
  - e. move your token to the next space on the game board containing the number after.

**For example, if you roll a 4, turn over the "4" card, say "I think 5 is after 4", turn over the card after to check your answer, then move your token to the next "5" on the game board.**

- a. If the next space to contain the number before is the winner space, then move to that space.
  - b. Return any cards (except 1) to face down position.
5. First player to reach the "Winner" space wins the game.
