

Number Before Race (within 10)

I can say the number before any given number in the range 5 to 10

KNP # Nb 1112.2 – Number Before Race, YELLOW

Fluency Standard: 1.OA.6

Standards: K.CC.1

Materials: Number Before Race (within 10) Game Board, number cubes with labels {5, 6, 7, 8, 9, 10} Game tokens, numeral cards 1 to 10 (a pair of numeral tracks with inserts 1 to 5 and 6 to 10 may be used in place of numeral cards)

Directions:

1. All players begin with a token on the Start space.
2. Place numeral cards in order (1 to 10) in a line and then turn cards 1 to 9 face down
3. All players roll the cube. The player who rolls the highest amount goes first.
4. Players take turns. On your turn
 - a. roll the number cube
 - b. find and turn over the card with that number
 - c. say the number before
 - d. turn over the card before to check your answer
 - e. move your token to the next space containing the number before.

For example, if you roll a 8, turn over the "8" card, say "I think 7 is before 8", check that "7" is correct by turning over the card, then move your token to the next "7" on the game board.

- f. If the next space to contain the number before is the winner space, then move to that space.
 - g. Return any cards (except 10) to face down position.
5. First player to reach the "Winner" space wins the game.
