

Numeral Track

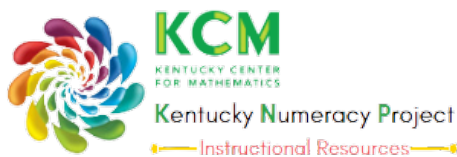

I am learning to say the number words forward in the range 1 to 30.

Materials:

numeral cards 5-30, numeral roll

Directions:

1. Get number cards. Place the cards in a stack face down on the table
2. Player 1 turns over the top card and count forward from that number. Use the numeral roll to keep track of the count.
3. Player 2 turns over the top card and count forward from that number. Use the numeral roll to keep track of the count.
