

## How Much?

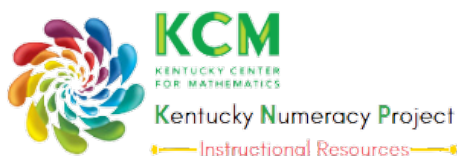

**I am learning to recognize numerals 1 to 20 and match quantities to them.**

### **Materials:**

game board: 4 x 5 grid w/ numerals 1-20 randomly in squares. A set of 10-frame and double 10-frame cards to display quantities of dots 1-20; counters of 2 colors (1 color for each player)

### **Directions:**

1. Shuffle dot cards and place them in a pile facedown.
2. Player 1, take the top card from the draw pile and place a marker on a corresponding numeral on the Tic Tac Toe board.
3. Player 2 repeats this process.
4. Players take turns.
5. The first player to get three in a row is the winner.
