Splat Bingo Within 1,000,000

I am learning to correctly identify numbers within 1,000,000.

Materials:

- Splat Bingo Within 1,000,000 Game Boards
- Numeral Cards Within 1,000,000
- Colored writing utensil / Bingo Markers

Directions:

Version A: Set Up:

1. Every student gets a Splat Bingo Board.
2. Select a person to be the "caller".
3. Shuffle the numeral cards and place them in front of the caller.

Game Play:

1. The caller will draw a numeral card and say the number aloud.
2. The person with the same number on their game board will "splat" (colored in) that number on their board.
3. The caller will discard the numeral card.
4. Repeat the process above.
5. The first student who creates a bingo wins (5 in a row).

Version B: Set Up:

1. Every student gets a Splat Bingo Board.
2. Shuffle the numeral cards and place them in the middle of the group.

Game Play- On your turn:

1. Draw a dot card.
2. Say the number drawn.
3. Using your colored writing utensil "splat" (color in) the same number on your bingo board.
4. Place the numeral card in the discard pile to end your turn.
5. The first student who creates a bingo wins (5 in a row).
