

Hundreds Alien

I am learning to tell the number name within
100.

Materials:

- Full hundreds chart
- 5 Star markers for each player
- Alien marker

Directions:

Set up:

1. Each pair of students gets a hundreds chart, five star markers, and one alien marker.

Game Play- On your turn:

1. Lay the alien marker on one of the numbers on your hundreds chart.
2. Lay the five stars markers anywhere else on the hundreds chart.
3. Ask your partner:
 - What number the alien marker is covering?
 - What number is each star marker covering?

Switch roles and repeat.
