

Discriminating Numerals (up to 20)

I can identify numerals 0 - 20.

KNP # Ni 1181.2 – RED; Task Group: Discriminating Numerals

Fluency Standard: 2.OA.2

Standards: K.CC.3, 1.NBT.1

Materials: numeral cards with at least 5 copies each of 2 (or more) numerals

Directions:

1. Choose 1 set of cards. Scatter cards, face-up, on the table. Position cards right-side-up. The smiley face 😊 may help you!
2. Sort cards into piles. For example, for a deck containing "13"s and "15"s, place all of the "13"s in one pile and the "15"s in another pile.
3. Say the name of each numeral as you place it into the correct pile.
