<u>Top-it (total to 5)</u>

> # I am learning to add quantities with addends to 10 without counting by ones. I am also learning to compare quantities up to 10.

Materials:

Dominoes or Domino cards with total up to 5

Directions:

1. Place dominoes scattered face down on table.

2. Each player will pick up one domino, look at it quickly and cover the domino with his or her hand.

3. Each player will say aloud his or her sum and show the domino to the group.

4. The player with the largest sum collects the dominoes.

5. Repeat until dominoes are gone.

6. Player with the most dominoes wins.
