

## Match the Quantity

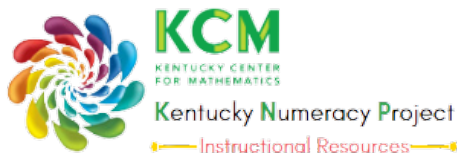

**I am learning to match domino patterns with numerals 1 to 5.**

**Materials:**

regular dot pattern cards and numeral cards 0 to 5

**Directions:**

1. Get regular dot cards and numeral cards, 0 to 5, 6 of each. Shuffle.
2. Place the numeral cards and dot cards face down.
3. Player 1 turns over two cards. If the cards match player 1 takes the pair.
4. If they do not match, the cards are turned back over.
5. Player 2 takes a turn.
6. Players take turns until all the pairs are found.
7. The player with the most pairs wins the game.
