

## Combinations

**I am learning to tell the combinations up to 5 given one number.**

**Materials:**

combination dot cards up to 5 (use only the cards to 5)

**Directions:**

1. Get combination dot cards. Shuffle.
2. Player 1 takes a combination card and opens one flap.
3. Player 1 tells the number that goes with it to make the total at the top.
4. Player 2 takes a combination card and opens one flap.
5. Player 2 tells the number that goes with it to make the total at the top.
6. Next time the card is used, open the other flap.
