

Finger Patterns

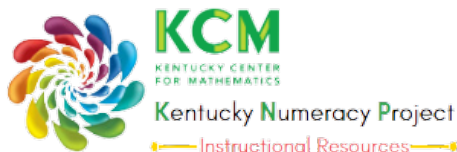

I am learning to quickly show 1 to 5 fingers on one hand.

Materials:

fingers

Directions:

1. Teacher or student is the leader.
2. Leader says, "Quick as you can, show me___." (in blank say numbers 1, 2, 3, 4, or 5)
3. Players have their hand in a fist above head. When Leader says a number, show it with fingers.
