Kentucky Academic Standard(s): [KY.K.OA.2](#), [KY.K.OA.3](#), [KY.K.OA.5](#)

Numeracy Target: Facile structures to 5

Make the Target (up to 5)

I am learning to tell how much more is needed to make totals to 5.

Materials:

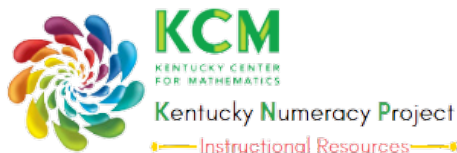

Five Frame cards, 2 each of 1, 2 and 3, with numeral written on reverse side; cube with numerals 2, 3, 4, 4, 5, 5

Directions:

1. Get dot cards and die.
2. Place cards face up on the table.
3. Player 1 rolls the die to find the target number.
4. Player 1 chooses a card to be the first addend.
5. Player 2 chooses a card that will go with the first addend to make the target number.
6. Players switch places and begin again.
7. Players continue to take turns.

One player directions:

Roll the cube. Find a card that matches the number rolled. Play again.
