

Task Group: How Many?

Kentucky Academic Standard(s): [KY.1.OA.1](#), [KY.1.OA.2](#), [KY.1.OA.3](#)

Numeracy Target: Add by counting on; subtract by counting back

## How Many?

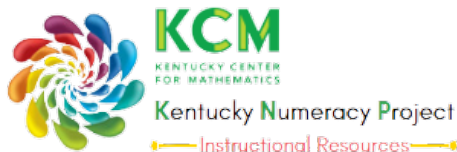

**I am learning to solve word problems with up to 3 numbers and write a matching equation.**

### **Materials:**

Question cards, Numeral cards, Working mat, Counters, Recording Sheet

### **Directions:**

1. Remove working mat, question cards, numeral cards, and recording sheet from folder.
2. Organize cards. Draw a question card and place on your working mat.
3. Use counters on your mat to represent the items in the question.
4. Cover each group of counters with a matching numeral card.
5. Write an equation on your recording sheet that matches the numerals/counters on your mat.
6. Solve the equation.
7. Uncover the counters to check your answer.
8. Clear your mat, draw another card, and repeat until your recording sheet is full.
