KNP ID # A 3341.4, Purple Task Group: Beaded Chenille Stems Kentucky Academic Standard(s): <u>KY.1.OA.4</u>, <u>KY.2.NBT.5</u> Numeracy Target: Relate addition and subtraction

## **Bead cards (find the difference)**

I am learning to determine the difference between two sets and write a matching number sentence.

## Materials:

bead cards, Set A (15 to 26)

## Directions:

- 1. Shuffle cards and place in a stack face-down.
- 2. On your turn
  - Draw a card. Look at it briefly and then turn card face-down (or place it under a cover).
  - Draw a 2nd card. Look at it briefly and then turn card face-down (or place it under a cover).
  - Determine the difference.
  - Uncover cards to check your answer. If needed, uncover one or both of the cards to help solve.
  - Write a matching number sentence. Write another!
