

Sorting Even and Odd

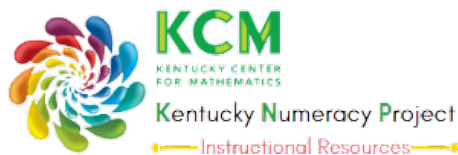

I am learning to explain patterns for even numbers and for odd numbers within 20.

Materials:

snap cubes - 20, writing space

Directions:

1. Get snap cubes and writing paper.
2. Build and keep all pairs of snap cubes, 2, 4, 6, 8, 10, 12...20.
3. Look for patterns, write what you notice.
4. Build and keep all pairs plus one for odd numbers, 1, 3, 5, 7, 9, 11...19.
5. Look for patterns, write what you notice.
