

Equal Addends

I can count two equal rows of blocks by 2's, write the addition sentence adding the pairs and write the addition sentence adding the 2 rows.

KNP # M 4402.2 – Equal Addends, BLUE

Fluency Standard: 3.OA.7

Standards: 2.OA.3

Materials: 20 snap cubes, writing space

Directions:

1. Get 20 snap cubes and writing material.
2. Player 1 creates a block figure using 2 rows.

(example to the right)

3. Player 2 counts the blocks by twos and writes the addition sentence. $2 + 2 + 2 + 2 = 8$
4. Player 2 then writes an addition sentence using the rows. $4 + 4 = 8$
5. Player 1 repeats with a different group of blocks.
6. Then the players switch places and begin again.
