

## Making Rectangles

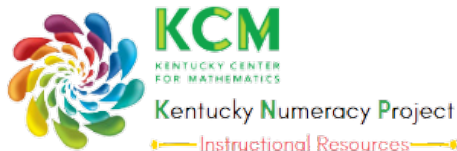

**I am learning to make rectangles using up to 20 square tiles and write the matching multiplication sentences.**

**Materials:**

color tiles - 20, writing space

**Directions:**

1. Get 20 color tiles and writing material.
2. Take 8 color tiles and make a rectangle.
3. Make a different rectangle with 8 color tiles.
4. Write the multiplication sentence for each rectangle.
5. Make all the rectangles using 2 to 20 color tiles.
6. Write the multiplication sentence for each of the rectangles.
