KNP ID # M 4405.6, OrangeFluency Benchmark: KY.3.OA.7Task Group: Making RectanglesKentucky Academic Standard(s): KY.2.G.2Numeracy Target: Extend and refine strategies for multiplication and division

## **Making Rectangles**

## I am learning to match the division situation to the multiplication situation for area.

## Materials:

Matching Cards for Division and Multiplication Area Models

## Directions:

- 1. Get matching cards for division and multiplication area models.
- 2. Lay all the cards face up.
- 3. Take turns finding matching pairs.
- 4. Continue until all the pairs are made.
