KNP ID # M 4435.6, OrangeFluency Benchmark: KY.3.OA.7Task Group: Quick ImagesKentucky Academic Standard(s): KY.3.OA.4Numeracy Target: Extend and refine strategies for multiplication and division

Quick Images

I am learning to find the products and/or quotients of a string of related problems.

Materials:

Multiplication/Division Strings

Directions:

1. Get multiplication strings.

2. Player 1 shows the string problems. Using a blank sheet of paper only showing one problem at a time.

3. Player 2 will tell the answer to each of the problems and explain their thinking.

4. Players can take turns and repeat.
