Cups Game

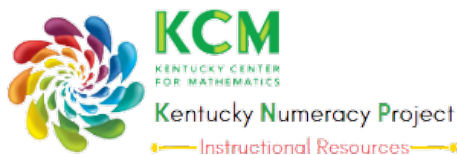

I am learning to create equal groups by sharing.

Materials:

beans or other counters; small plastic portion cups

Directions:

1. Get counter and cups.
2. Each student gets 5 cups and a handful of counters.
3. Teacher or student tells the group to take a given number of counters.
4. Student counts the given number out.
5. Student shares the counters equally into a given number of cups.
