

Task Group: Chunk It

Kentucky Academic Standard(s): [KY.1.OA.3](#), [KY.2.NBT.5](#)

Numeracy Target: Emerging understanding that 2-digit numbers are composed of tens and ones

Chunk It

I am learning to combine two groups of units within twenty to find the total number of units that fill a shape.

Materials:

Chunk It one inch building cards, One set of one colored one inch tiles, One set of different colored one inch tiles

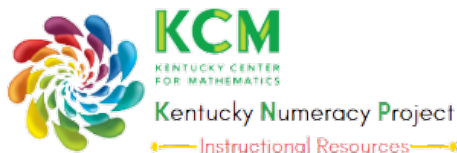

Directions:

Shuffle one inch building cards and place them face down in a pile

Each student will select one building card:

- **Use two sets of different colored one-inch tiles to fill the shape**
- **Say the number of each colored tiles**
- **Tell the total number of tiles that fill the shape**
- **Find another way to fill the shape and repeat**

There are eight cards to build
